

Korean LCC, t'way, to Launch Narita - Seoul (Incheon) Service on 27 March!

Tokyo, 4 February 2016: Narita International Airport Corporation (NAA) is pleased to announce that t'way (IATA Code: TW) (TW) will launch service between Narita and Seoul (Incheon) on 27 March 2016.

TW is a low-cost carrier(LCC) which was established in South Korea in 2010, and is known for offering quality service as well as for the unique range of entertainment provided by its cabin attendant, including balloon art and musical performances.

For Narita Airport, TW flights will bring the number of services on the Narita - Seoul route to 98 flights a week (14 flights a day) and boost the level of convenience enjoyed by our customers.

Take advantage of Narita Airport's convenient air route network which will soon be further expanded by the launch of TW flights.
