Japanese Hospitality – October Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In October, these will include opportunities for Candy Craft Performance, exhibitions of Bonsai decorations. Please refer to the attachment for more details.

Candy Craft Performance

NEW!

In conjunction with the Anniversary of the Founding of the People's Republic of China in which we are visited by a large number of people from Chinese-speaking countries, we will hold an Amezaiku candy craft performance.

Customers are invited to watch as these artistic candies are sculpted using traditional Japanese techniques, right in front of their eyes. We will also be giving away Chinese zodiac animal candies at the venue.

Bonsai Exhibition

A bonsai exhibition will be held with the cooperation of the Nippon Bonsai Association.

Three beautiful bonsai exhibits in the seasonal colors of autumn such as 130 years old persimmon will be displayed in an area bearing a resemblance to a Japanese tea house.

Staff will be present at the venue to offer informative explanations on the works and the joy of Bonsai.
