We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again. In July, these will include opportunities for Tanabata Festival Tree Decorations and Collaboration of Harmony 3 Rings of Japanese Culture and Beautiful Japanese Summer -Japanese Summer Festival Experience-. Please refer to the attachment for more details.

### Tanabata Festival Tree Decorations

Tanabata festival tree decorations, a traditional summer feature of Japan, will be on display at Narita Airport. Airport customers will be able to enjoy a traditional Japanese event by decorating a 3-meter high bamboo sheaf and writing their wishes on a strip of paper and tie it to one of the bamboo branches. This year will also feature a bamboo lantern display providing a bright, welcoming atmosphere, courtesy of the Sawara Women's Association of Sawara (Katori City) in a joint undertaking with the Narita Airport Regional Co-existence and Co-prosperity Council.
