Thai Lion Air to start serving Narita Airport with Daily Narita – Bangkok flight service from 7 December, 2018!

Thai Lion Air will launch a new Narita-Bangkok (Don Muang) service on 7 December 2018. The airline is a Bangkok-based LCC, which started to operate in Thailand in December 2013, and this is its first scheduled service to Narita Airport.

Bangkok, the energetic and exciting capital of the Kingdom of Thailand, is a thriving metropolis in South East Asia, attracting business and tourism travelers from all over the world. From Bangkok, it is easy to visit beautiful beach resorts such as Phuket and ancient cities such as Chiang Mai, which offers new attractiveness each time you visit.

Narita Airport continues to expand its network in order to offer airport users more convenient experiences.

Please take advantage of Narita Airport's extensive network, now even more convenient with the new Thai Lion Air service.
