Nintendo game experiencing zone, “Nintendo Check In” will open in Narita Airport!

Narita International Airport Corporation is delighted to announce the opening of the “Nintendo Check In”, run by Nintendo Co., Ltd, which will be located inside the Visitor Service Center on the 1st floor of Terminal 1.

In “Nintendo Check In”, visitors can enjoy the popular games of Nintendo Switch™ for free inside the exhibit space decorated with the world view of Mario games, and you can take photos with Mario Statue. Furthermore, international flight arrival passage of Terminal 1 will also be decorated with Mario games characters and welcomes you in 5 different languages (English, Simplified·Traditional Chinese, Korean and Japanese).

With the opening of “Nintendo Check In”, visitors can experience Japan’s high quality amusement in Narita Airport!

On June 29th and 30th, for two days only, Mario will visit Narita Airport, and you will have the chance to take a photo with him and start making your travel memories.
