Juneyao Airlines to Launch Narita - Shanghai Pudong Service on 27 October

Juneyao Airlines (IATA code: HO) will launch a new service between Narita and Shanghai Pudong Airport on 27 October 2019. Juneyao Airlines is a full service carrier based on Shanghai, and this will be their first scheduled service to Narita Airport.

Shanghai is known as a global commercial and financial center and famous for its tourism. It is a very attractive destination not only for business, but also for sightseeing and shopping. There is so much to see in the city and the streets of the Waitan area, commonly called The Bund, are lined with both the exotic classical European style architectures and futuristic modern buildings, lit up at night, offers a beautiful atmosphere.

Narita Airport will continue to expand its network to offer more convenient selection of flights and destinations for our customers. Please take advantage of Narita Airport's extensive flight service network, now even more with the Juneyao Airlines' Shanghai Pudong service.
