Japanese Hospitality - November Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In November, the Daimyo Procession, Make a self-righting doll. Please refer to the attachment for more details.

**The Daimyo Procession**

Japan's samurai warriors call in at Narita Airport! !
A recreation of the Daimyo processions of the Edo period with feudal lords carried in palanquin by bearers through the passenger terminals.
Ride in a palanquin and hark back to olden times with a photo with a samurai warrior.

**Make a self-righting doll**

The self-righting doll always stands up no matter how often it is pushed over and, therefore, symbolizes tenacity and health.
Choose a design from a beckoning cat or a princess, paste your favorite Japanese paper on the base, and draw a face with a pen or ink pad, to create a self-righting doll of your own design.
A Japanese lucky charm to take home!

**Traditional Japanese Culture Experience Corner**

Popular events are held each day on the airside after outbound passport control where airport users can experience Japanese culture and take photos of the event.
Events in November will include making origami, Ukiyo-e printing, Kimono dress up, Samurai armor as well as ninja outfits for children.
