

Temporary Closure of Runway B

Due to the global spread of the COVID-19 pandemic, the number of aircraft movements at Narita Airport has significantly decreased, and the recovery is expected to take a considerable amount of time. Therefore, in order to ensure operational safety and efficiency at the airport while also striving to prevent further spread of the pandemic, we have decided to close Runway B and move to Single Runway Operations using Runway A.

Closure: From 6:00 a.m., Sunday, 12 April 2020 JST until further notice.
