Japanese Hospitality - May Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again. In May we present for your enjoyment a bonsai exhibition, the kamikiri traditional paper craft, and an Iris flower float on display. Please refer to the attachment for more details.

Bonsai Exhibition

A bonsai exhibition will be held with the cooperation of the Nippon Bonsai Association. With the approach of early summer, we present five exhibitions that will display the beauty of the fresh greenery of the season.

These exhibitions will come to life on May 13th and 20th when visitors to the airport can watch the careful art of bonsai.

Paper Craft Demonstration

This is a demonstration of kamikiri, traditional Japanese paper craft using just a sheet of paper and scissors to cut out a landscape scenery and animal figures. A photo area has also been set aside for souvenir photos with the works created. On May 25 and 26, the famous kamikiri artisan, "Hasamiya Kamitaro", will give a skilled performance in the traditional paper craft.
