

## ZIPAIR to Launch Narita-Los Angeles Service on 25 December 2021

ZIPAIR (IATA code: ZG) will launch a new passenger service from Narita to Los Angeles on Saturday, 25 December this year. ZIPAIR currently operates the Narita-Seoul, Narita-Bangkok, Narita-Honolulu, and Narita-Singapore route, and the Narita-Los Angeles route will be its fifth route. In addition, Narita Airport will be the first airport in Japan to be served by the LCC operating between Japan and the U.S. mainland.

Narita Airport will continue to expand its network in order to provide even greater convenience to its customers. Take advantage of Narita Airport's network, now even more convenient with ZIPAIR's new Los Angeles service.
