Air Premia Launches Narita - Incheon Service on 23 December 2022

Air Premia (IATA code: YP) will launch the airline's first scheduled service to Japan on Friday, 23 December, flying between Narita and Incheon.

Air Premia is an emerging South Korean Airline based in Incheon Airport and was established in 2017. Featuring spacious seat pitches, particularly in Premium Economy class, Air Premia offers a high quality flight service at competitive fares.

Narita Airport will continue to expand its network to offer our customers a more convenient selection of destinations. Taking advantage of Narita Airport's network, now even more convenient with the new Air Premia service to Incheon.
