Philippines AirAsia Launches New Narita - Manila Route on 1 February 2023!

Philippines AirAsia (IATA code: Z2) will launch a scheduled passenger service between Narita and Manila on Wednesday, 1 February 2023. The airline is a low-cost carrier (LCC) based in Manila in the Philippines, and Narita will be its 10th international destination.

The Philippines is gaining popularity not only for tourism but also as a destination for study abroad, with more than 14,000 Japanese residents in the country. In addition, with a growing number of visitors to Japan from the Philippines expected, Philippines AirAsia offers a new option for use by these travelers. Take advantage of the growing number of options for travel between Narita and Manila.
