## Japanese Hospitality - September Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In September, these will include opportunities to dress in yukata (light kimono) alongside displays of obi (sash worn around the waist with kimono, etc.) tied in the shape of various flowers, making Sushi replicas, and exhibitions of moon-viewing festive decorations. Please refer to the attachment for more details.

### Floral Obi Exhibition and Yukata Dress-up

We will hold an exhibition of yukata obi arranged in the shape of various types of flowers. This exhibit will feature 6 types of floral obi knots including the canola flower which is common in Chiba, cherry blossom considered to be the national flower of Japan, and sunflower, associated with summer.

Customers will also have a chance to have their photos taken wearing a summer yukata.

Previous exhibition

### Sushi Replica Making

We are holding workshops on making food replicas, popular gifts among visitors from abroad. With instructors demonstrations on making tempura replicas, airport users can also experience sushi making for a taste of Japanese food culture.

The items you make at the workshop may be taken home as a souvenir.

Previous event

### Moon-viewing Festive Decorations

Moon-viewing festive decorations will be on display at the airport again this year with the cooperation of the Narita City Tourism Association.

This is a traditional Japanese autumn harvest season custom in which dumplings and other offerings to the moon are displayed along with Japanese silver grass and flower decorations, as offerings of appreciation.

### Japanese Cultural Experience Corners

**Held every day!**

Once again, airport users will be able to experience Japanese culture and take souvenir photographs in these popular corners of the passenger terminals. September will feature opportunities to try on samurai armor, make Chigiri-e collages of colored paper, create Ukiyo-e prints, dress in yukata (light kimono) and take part in a Japanese tea ceremony. Events are held every day in the departure area after the security check and passport control.
