

## Japanese Hospitality – June Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In June, these will include opportunities for Windchime decoration and Appearances & performances by Ishikawa Goemon. Please refer to the attachment for more details.

### Windchime decoration

An event will be held where participants can try their hand at decorating windchimes. Add your favorite colors to a windchime, a traditional feature of summer in Japan, and take it back as a souvenir so that you can listen to the cooling sounds in your own home.

### Appearances & performances by Ishikawa Goemon

**NEW !**

Ishikawa Goemon, a popular figure in Kabuki programs, will make an appearance and perform around the passenger terminal. A legendary outlaw in his time, his life was dramatized for the Kabuki in later years and is still enjoyed today. Don't miss his appearance as he walks around the terminal and his original dance performances.

Airport users will be able to experience Japanese culture and take souvenir photographs in this popular corner of the passenger terminal.
