

## Vanilla Air Launches Narita – Amami-Oshima Service!

Tokyo, 23 April 2014: We are delighted to announce the launch of a daily Narita – Amami-Oshima (Kagoshima) service by Vanilla Air (IATA code: JW) from Tuesday, 1 July 2014.

Vanilla Air currently operates two domestic services from Narita to Naha in Okinawa and New-Chitose, Sapporo.

For Narita Airport, this is the first link with Amami-Oshima, which will expand its domestic network to 17 destinations. While Narita's domestic network expands, the access between Narita and Tokyo metropolitan area gets even better with a greater number of low price bus services now in operation, making Narita Airport more convenient for domestic travel, too.

So take advantage of this opportunity to travel from Narita to explore the vast pristine beauty of Amami-Oshima this summer.
