

Shopping in Terminal 2 is About to Become **More Fun!** **New and Revamped Shops Unveiled** ♪

Tokyo, 20 March 2015: The spring season brings a powerful boost to Terminal 2 at Narita Airport!

"Victoria's Secret", a favorite with ladies all over the world, opens its first shop at Narita Airport on the airside after outbound passport control!

"Fa-So-La TAX FREE AKIHABARA", immensely popular among visitors from abroad, will make its grand opening with an expanded floor space. "TIFFANY" boutique has undergone a complete facelift of its interior, and two duty-free general stores in the satellite building will also reopen with an extensive line-up of products. All of these combine, along with many other changes, to present a bigger and better shopping area.

On the landside before security screening, customers will find a new pop-up shop, "fitfit", on the 4th floor of the Main Building, available for the first time at an airport with a line-up of good-looking orthopedic footwear that is easy on the troubled feet. Airport shopping at Narita is now more fun than ever before.

Beautiful shoes, easy on your feet Announcing "fitfit" pop-up store

Airport's First

"fitfit", a pop-up store that specializes in orthopedic footwear that is easy on the feet, opens for a limited time only on the 4th floor of the Main Building in Terminal 2 on 2 April 2015.

"fitfit", joined by a manufacturer with advanced expertise in ergonomics, developed wooden lasts over a countless serious of tests. The large range of trendy and beautifully-designed shoes with superior foot comfort has gained strong support from women with foot discomfort. Foot problems such as bunions are caused by uncomfortable shoes chosen merely for the design. "fitfit" cares about not only the functionality but also the good, slender look of shoes it makes. So bring your feet to "fitfit" and give them a delightful experience.
