

## First Time at Narita Airport

### Results of the 1st Forklift and Pallet Building Competition at Narita Airport

Tokyo, 27 August 2015: Today, 9 teams from 5 participating companies staged a thrilling contest in the Forklift and Pallet Building Competition at Narita Airport, held for the first time.

NAA's objective in hosting this event was to expand the airport's volume of cargo handled through initiatives to improve quality of its cargo operation.
