

Japanese Hospitality "OMOTENASHI" - October Program of Events

Tokyo, 29 October 2016: In October, we are once again hosting more events that highlight unique aspects of Japan to enable travelers from overseas to experience our culture and encourage visitors to visit us again.

Events will include the appearance of Hello Kitty, the personification of "cute" in Japan, as well as a Bonsai exhibition emphasizing the seasonal colors of autumn.

Please refer to the attachment for more details of each event.

Welcome from Hello Kitty

During the Chinese holidays commemorating the Anniversary of the Founding of the People's Republic of China, an area will be set aside for photo opportunities with Japan's personification of "cute", Hello Kitty.

Hello Kitty will come to the airport to play on the weekends so why not have a photograph taken with our cute star?

* Right photo is image only. Actual kimono may be different.
