

## Japanese Hospitality - February Program of Events

For the month of February, we are hosting many events that highlight the unique aspects of Japan to offer travelers from overseas to experience our culture and wish them to visit us again.

These will include opportunities to take photos at the Hello Kitty Photo Spot, kimono exhibitions, Ikebana decorations and Japanese classical dance performances. Please refer to the attachment for more details.

### Special Chinese New Year Program

#### Hello Kitty Photo Spot

**First at Narita Airport!**

To celebrate the Chinese New Year\* and welcome many visitors from Chinese-speaking countries, with cooperation from Sony Digital Entertainment Services Inc. we will set up Hello Kitty Photo Spot where you can take photos with Hello Kitty dressed as a ninja. Hello Kitty, who is very popular in Chinese-speaking regions, will appear on the display screen when customers stand in front of it, so that they can take photos together.

\*This year, the Chinese (Lunar) New Year holiday period is from 27 January to 2 February.

#### Japanese Classical Dance Performances

Performances of Nihon Buyo, a classical Japanese dance, will be staged in association with the Chiba branch of the Japanese Classical Dance Association. The February program will showcase performances associated to the New Year and early spring period, offering customers the chance to see, hear and enjoy the culture of Japan first hand.
