Japanese Hospitality - March Program of Events

For the month of March, we are hosting many events that highlight the unique aspects of Japan to offer travelers from overseas to experience our culture and wish them to visit us again.

These will include Japanese classical dance performances as well as a walk-by and performance of a creative version of The Tale of Genji. Please refer to the attachment for more details.

Japanese Classical Dance Performances

Performances of nihon buyo, a classical Japanese dance, will be staged in association with the Chiba branch of the Japanese Classical Dance Association. The March program will showcase performances featuring the theme of Spring flowers, offering visitors the chance to see, hear and enjoy the culture of Japan first hand.

The Tale of Genji Theatrical Performances

We are staging a walk by and theatrical performance based on the classic Japanese novel, The Tale of Genji. The performance will feature the main character, Hikaru Genji, and the women in his life dressed in magnificent layered kimono costumes, as well as dazzling dances with court music accompaniment. Visitors are welcome to take photographs.

Japanese Cultural Experience Corners

Held every day!

Once again, airport users will be able to experience Japanese culture and take souvenir photographs in these popular corners of the passenger terminals.

March will feature the very popular hands-on Ukiyo-e printing to take home as a souvenir, kimono and samurai armor dress-up, as well as calligraphy, Japanese paper dolls and kite making. Events are held every day in the departure area after the security check and passport control.
