Management Philosophy

NAA is committed to ensuring that Narita International Airport maintain its status as one of the world's leading airports, contributing to the growth of the global transport network.

Management Vision

A Trusted Airport Where Safety is Paramount

"Safety" lies at the root of our airport management and takes precedence over all else. We will ensure complete safety throughout the airport, paying close attention to all areas. We will work with stakeholders in our commitment to ensuring aviation safety. Through these actions, we aim to become a trusted airport.

Customer Satisfaction Exceeding Expectations

We will strive to value the customer's perspective at all times and to provide services that our customers will enjoy and appreciate. We will also strive to use our best efforts to create services that will impress and delight customers.

Environment-friendly Airport Contributing to Community Growth

We aim to create an environment-friendly airport by building on our environmental initiatives. We will also contribute to the development of an affluent and vibrant society by building on our trust as a member of the community.

Sound Management and Growth through Efficiency and Transparency

While making the most efficient use of our management resources, we will abide by laws and social rules, and practice sound management through fair and transparent corporate activities. We will also pursue new business opportunities enthusiastically building on the core of our existing business to achieve corporate growth.

Sensitive, Flexible, Speedy and Responsive to Society's Needs

Each one of our staff will strive to remain alert at all times and hone his/her ability to read prevailing trends. We will live up to social expectations through our unquenchable passion and determination to take on new challenges, with flexible thinking and prompt action.
